Safer Protocols for Bishopston 2G & 4G

Below is a club user guide for training sessions at Bishopston 2G & 4G pitches.

2G Hire: Coach/ Player/ Parent/Carer Protocols

ONLY COACHES/ HELPERS/ PLAYERS INSIDE THE TRAINING PITCH

1. **Prior to Session:** Players/ Coaches **MUST** bring **OWN** water bottle; shin pads; goalkeeper Gloves (if needed)
2. **Prior to Session:** Coach must have **uploaded NHS QR Track & Trace App** ready to use at training session.
3. There are **2 gates** in use: Left Gate 'IN' gate. Right '**OUT**' gate (by steps/disabled slope).
4. **Prior to session** the Coach **MUST SCAN** the NHS QR Code displayed on the side of the IN gate.
5. The Coach must prepare for the session by having a player register; hand sanitizer available.
6. **On arrival:** Players are to wait left of IN gate (at a social distance from each other) to allow participants from last training session to leave the pitch.
7. **Start of Session:** Coach will admit the players (one at a time); register the players as they enter; ask each player if they are well/ display any symptoms; Ask player to hand sanitise before entering training session.
8. **Late arrivals:** Players/ Coaches please **WAIT** outside the IN gate to be admitted by a coach.
9. **During the Session:** Family member/ carer dropping off player are asked to respect 'NO Spectators' pitch side guideline during session. If possible, please return to your car during training session. **However**, we really appreciate that for the younger players they may want a family member to be present outside of the training area. If this is the case please social distance from other people in the wider area of Bishopston Leisure Centre.
10. **End of Session:** Anyone picking up a Player must wait at a social distance behind the hand rail area of the disabled slope. (Do not congregate in a group).
11. **End of training session:** Players are to line up (at a social distance) inside training pitch and the Coach will coordinate players to exit one at a time through OUT gate to be collected by a family member/ carer.
12. **End of Session:** Everyone must leave straight away to enable the next Training Session to begin.
13. **End of Session:** Coaches or Covid Team contact to keep the player training session register securely for track and trace purposes.
